Thanks. At some point I would like to visit an appropriate project. Please keep it in mind for the future.

Thanks

One more update: I received a “save the date” notice from Forest Service today regarding Ted Boling’s Rosemont site visit, which is tentatively scheduled for April 21<sup>st</sup>. As we discussed, I plan to attend. I’d like to have a staffer with detailed on-the-ground site knowledge accompany me. I’ve discussed this with Jason Brush and am awaiting his reply re: whether or not he wants to send Rob or Liz. If not, I will likely take Carter.
